**Local Law #3 of 2018**

**Regulating the Control of Cattle, Sheep, Horses and Any Other Domesticated Animals Within the Town of Genesee.**

**Section 3. Confinement of cattle, sheep, horses, poultry, swine and domesticated animals.** It shall be a violation of this local law for any owner and/or possessor of cattle, sheep, horses, poultry, swine and/or domesticated animals to fail to keep such animals securely and safely confined to his own lands by adequate fencing or other lawful restraints, or to allow such animals to roam unattended on public or private lands or highways in the Town of Genesee.

**Section 5. Precondition for Prosecution.** Before any owner or possessor of cattle, sheep, horses, poultry, swine and/ or other domesticated animals may be convicted of a violation of this local law, the Town of Genesee or other person must show that there was at least one prior incident within the preceding six month period when such owner and/ or possessor of such cattle, sheep, horses, poultry, swine and/or other domesticated animals failed to have such animals properly confined, or when such animals were left unattended, or where such animals were permitted to enter upon public or private lands or highways of the Town of Genesee. The Town of Genesee must also show that such owner and/or possessor of such animals received either a verbal or written notice of such occurrence, and that the conduct being prosecuted is therefore the second or subsequent violation within a six month period of time. The required notice can be given by any official of the Town of Genesee, or by any private individual or person.

**Section 6. Penalties.**

(a). Each day of violation of the provisions of this local law shall be deemed a separate and distinct offense as to each and every animal found to have been in violation of the terms of this local law.

(b). The Town of Genesee may in addition to or as an alternative remedy for any violation of this local law initiate a civil action or proceeding to recover from the owner a penalty not to exceed One Hundred Dollars (\$100.00) for each and every violation of this local law.

(c.) In addition to the above provided penalties and punishment, the Town Board may also maintain an action or proceeding in the name of the town in a court of competent jurisdiction to compel compliance with or to restrain by injunction the violation of such local law.

#### **Section 7. Seizure and Redemption of Animals.**

(a). Any peace officer, police officer, or authorized town official observing a violation of this local law shall enforce it by issuing a citation to the offending owner or possessor. In addition, the peace officer, police officer, or authorized town official shall be empowered to seize any cattle, sheep, horses, poultry, swine and/or other domesticated animals found in circumstances violating this local law. Such animals can be maintained by the appropriate officials of the Town of Genesee, or can be placed with a duly established and operating Society for the Prevention of Cruelty to Animals, or similar agency or organization.

(b.) The owner of any animal seized pursuant to the provisions of this local law shall redeem such seized animal within five (5) days if such animal is unlicensed, or within twelve (12) days if the animal is licensed. Redemption of any seized animal can be made upon payment of all fees incurred by the Town of Genesee, plus the sum of twenty-five dollars (\$25.00) for the cost of the seizure, plus payment of any fines which have been imposed by any court having jurisdiction over any cases filed for violation of this local law.

(c). If any animal seized pursuant to the provisions of this local law is not redeemed within the time specified in subsection (b) above, the owner shall be deemed to have forfeited all title and right to such animal and the animal shall be sold by the Town of Genesee or destroyed. If the animal is sold or destroyed, the costs related to such sale or destruction shall be a charge which the Town of Genesee can recover against the owner by an action in an appropriate court of law.

(d). The Town Supervisor or Town Clerk is hereby authorized to sell or dispose of any seized animal which has not been redeemed within the specified time limits set forth above. The Town Clerk shall keep a record of all sales and such record shall be a public record open to inspection during the regular office hours of the Town Clerk.

**Section 8. Separability.** Each separate provision of this local law shall be deemed independent of all other provisions herein, and if any provisions shall be deemed or declared invalid, all other provisions hereof shall remain valid and enforceable.

**Section 9. Effective date.** This local law shall take effect upon its filing with the Secretary of State as required by the Municipal Home Rule Law.

Questions: When would the law be effective. Possibly 1-2 months as it does not take effect until it is received by the NYS Department of State.

What is the procedure for making a complaint. Residents were advised that it would be helpful if pictures could be taken (with date and time) to be used as verification of violation of the law. They should contact the Town Hall and then a formal letter could be sent to the animal owner regarding the complaint.
